## BLESSED VASYL IN UKRAINE

### SHRINE MINISTRY GROWS

Since Blessed Vasyl Velychkovsky was proclaimed the Patron of Prison Ministry for the Ukrainian Greek Catholic Church in Zarvanytsia last summer, 2014, knowledge of who he was and who he is, is quickly growing throughout Ukraine. Our yearly trip to Ukraine bore witness to this fact. We spent

three weeks in Ukraine this past August-September. Before arriving in Ukraine, we were informed by email, that a parish in Chernytsiv, (Bukhovyna region) was already awaiting our arrival to conduct a mission whose theme would be the

life of Blessed Vasyl. Fr. John Sianchuk, together with the assistance of Oleh and Tania Chekharivsky, shared the life of Blessed Vasyl each morning and evening, through a sermon and audio visual presentations. As many as 12 priests participated throughout the three day mission which concluded on August 28<sup>th</sup>, the feast

of the Dormition of the Mother of God, with a solemn Divine Liturgy before a crowd of a thousand people. During the Liturgy the people heard of the many graces and blessings that have been received through the intercession of Blessed

Vasyl. His relics were solemnly enthroned in this church. After the Divine Liturgy, the people approached and venerated the holy Relics. They were

also anointed with his blessed oil, and received a holy card and a 3<sup>rd</sup> Class Relic. As a result a number of the priests invited Oleh and Tania to come to their parishes.

On Sunday, August 30<sup>th</sup>, we were at the parish of the Dormition of the Mother of God in the city of Horodenko, Ivano-Frankivsk region. Blessed Vasyl had attended the 'gymnasium' (high school) in this city and frequented this parish as

a young man. After hearing Oleh and Tania's presentation several weeks earlier, the parish priest, Fr. Levytsky, invited us to bring a 1<sup>st</sup> Class Relic to be permanently installed in his church. Fr. John had the opportunity to share with the congregation about Blessed Vasyl and the blessing that he is to this parish. At the end of the Divine Liturgy, after venerating the holy Relics, people were anointed and received a 3<sup>rd</sup> Class Relic.

The following weekend, we journeyed to the Volyn region to the city of Kovel. Fr. Evhen Zadorozny has been ministering here for many years. Kovel was the place where Blessed Vasyl served as a priest from 1928 to 1935. Fr. Evhen started the 1<sup>st</sup> Ukrainian Greek Catholic parish in this city in 2004. The Soviet Union had destroyed the Ukrainian

Greek Catholic church in 1945. This first parish was dedicated to Blessed Nicholas Charnetsky, who was the Bishop of this region before his arrest. Fr. Evhen built a church and a monastery. Since then, he began to expand his work travelling every weekend to outlying missions. The Ukrainian Greek Catholic community has grown and expanded in this predominantly Russian Orthodox region. Just recently, he received permission from the city government to build a second Ukrainian Greek Catholic Church in Kovel. This church will be dedicated to Blessed Vasyl Velychkovsky. Knowing Fr. Evhen's enthusiasm, the construction of a new church in that city should begin very soon. Fr. Evhen surprised us by gifting the shrine with a very precious 2<sup>nd</sup> Class relic of Blessed Vasyl – a vestment worn by him in the 1930's in Kovel and the Volyn region. This vestment (a felon

and an epithrahil) was saved by the people and hidden during the time of the underground church.

Oleh and Tania continue to give power-point presentations in various parishes, schools, institutions and to various groups throughout Ukraine (over 100 presentations have been given since last summer). Taras Hull and Sr. Theofilia offer tours of the apartment/museum in Lviv where Blessed Vasyl lived during the underground church. Slowly this sacred place is becoming known by the people of Lviv and

Ukraine. They are beginning to make pilgrimages to this holy 'church'. More and more parishes are asking to have Blessed Vasyl's Relics enthroned in their churches. Blessed Vasyl is becoming known for the important role he played in the history of the Ukrainian Greek Catholic Church in Ukraine. It was through him that the church hierarchy and leadership was maintained and renewed during the time of persecution.

We pray that as the people of Ukraine continue to come to know him and appreciate him as a great intercessor, that we too in North America come to see the great 'saint' we have in our midst.

# UNDER GOD'S PROVIDENCE

This summer we spent three weeks in Western Ukraine and noticed a radical change. It was evident in the mood of the people, in the sight of recent graves of young men killed, of the loomed uncertainty of the future, and of the numerous refugees from Eastern Ukraine. The armed struggle in the Donetsk and Luhansk region continues to this day. Every-

Two families from Luhansk and Donetsk taking refuge in Lviv with the Sister Servants of Mary Immaculate

where we went, the conversation turned to politics, to the war, the victims of war and the continued struggle to bring peace and stability to Ukraine. We kept hearing of the "new poor" in Ukraine. These are the families that have been displaced by the war. These are the families that have lost a husband, son or a father in battle, (over 6,000 have been killed since the war

began) and families whose 'heroes' have returned from the front line maimed, missing an arm or a leg, or severely traumatized by what they saw and experienced. There are so many of them and until now little is being done for them. We heard of various groups, such as priests, nuns, and laity, who are beginning to organize themselves to provide some relief to these victims. We ourselves met some of these distraught and destitute families. They desperately need our financial help to be able to provide the necessary assistance for these families.

Recent grave of a fallen soldier

Fr. Yaroslaw, C.Ss.R. and Fr. Myhaylo, C.SsR. In a camp on the front line near Luhansk and the birch tree cross they planted there.

Our Redemptorist priests have not been idle in this military struggle. Many of them volunteered as chaplains for the front lines. They go there to be with our 'boys' who are militarily ill-equipped and face death daily. One day, while on the front lines, our Redemptorist priests, Frs. Yaroslaw and Myhaylo, made a rustic two meter cross from two birch tree trunks. They planted it in the middle of the campsite. That night the campsite was heavily shelled. Our priests took shelter behind piles of rubble and in 'fox holes', not knowing if the next shell would explode near or upon them. They endured the night. At sunrise they saw the whole campsite completely destroyed, only the cross they had planted stood un-

harmful. They took this as a sign of God's protection for them and that the Lord was present with them throughout this battle.

Blessed Vasyl had similar experiences during the 2<sup>nd</sup> World War in Ternopil. One morning after celebrating the Divine Liturgy for the Sisters, he joined them for breakfast. During this, the morning shelling of the city by the Soviets began. They just had time to escape into the basement, when a shell hit the orphanage, creating a gaping hole in the wall. No one was hurt. When he returned to his monastery, he found that his room had also been shelled. Where his desk stood, there was now only a large pile of rubble. Had he not stayed with the nuns that morning, he would have surely been at his desk when the shell hit his room. Blessed Vasyl knows what it means to be protected by the Providence of God.

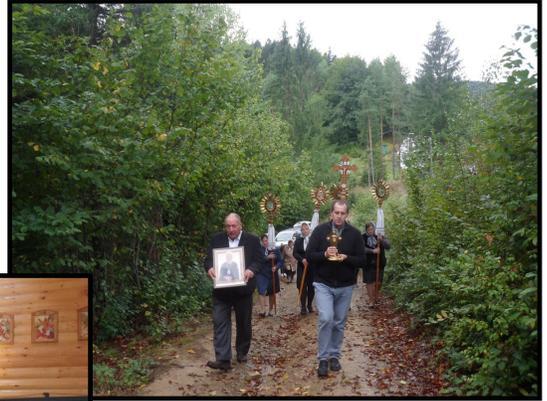

We pray that Blessed Vasyl intercede for all the victims of the war in Ukraine, those who have fallen, those who are wounded, and the families displaced or destitute. Blessed Vasyl knew the dangers of war. May he intercede before the Lord for lasting peace in Ukraine and a restoration of stable order in the country's government. Please continue to pray for peace and stability in Ukraine.

## Feast Day Celebration 2015

With Blessed Vasyl's feast day this year on June 27, we inaugurated the 150th Anniversary since the icon of Our Mother of Perpetual Help was entrusted to the Redemptorists with the commission to make her known throughout the world. We blessed a particular icon, a copy of the one that adorned Blessed Vasyl's apartment and before which he prayed during the time of the underground church in Ukraine. Throughout the day, it was venerated by the pilgrims.

Jay and Sophia Korban visited the Shrine on their wedding day, May 16<sup>th</sup>, 2015. They prayed before the holy relics of Blessed Vasyly Velychkovsky before being united in holy matrimony. Jay has been a long time dedicated volunteer of the Shrine and his bride Sophia spent some time doing Redemptorist ministry as a young adult co-ordinator and volunteering at the Welcome Home in the inner-city area of Winnipeg. They currently reside in Ottawa, where Jay is studying to become a priest.

## GRACES & BLESSINGS

*Twelve years ago I was diagnosed with heel spur on my right heel. It was very painful. Many times I had trouble walking and was unable to complete normal household chores. My job of cleaning homes for the elderly would prevent me from working because of the severe pain. Some days were good but many not so good. I prayed that the pain would go away. One day, in January 2015, I was cleaning a gentlemen's house and he shared with me how Blessed Vasyly helped him. He told me about the holy oil that he used to help him. I asked him if he could get some for me. I started to rub my heel with the holy oil of Blessed Vasyly. My heel began to heal. By June I was able to walk without pain and even dance, which I enjoy very much. I wanted to know more about Blessed Vasyly and come to the Shrine. Thank you Blessed Vasyly for your intercession in healing me.*
